Message from the President...

Dear Swiss Club Members:

Our fabulous Swiss National Day is so fresh in our memory that it seems like it happened yesterday.....

Actually, it did, and our thanks go to everyone who helped to make it a success, among many others our ambassador, all people from the embassy, all board members, the Folklore Group, Reto and his helpers at The Swiss Bakery, musicians, magicians, Claudia and her children's activities, Fahnenschwinger, all volunteers, sponsors, donors and especially you, the participants who created this beautiful, unique feeling of being a little bit at home in Switzerland for this celebration.

While we dwell in precious memories, we already look forward to the attractive events coming up in September: the **3rd Jass** tournament Sunday, September 5, at Rosmarie's home, and the hugely popular Fall Festival at the **Kumpli Farm** Sunday September 12, with many special activities for families with children. Please look for the details and registration forms in our **brand new website** www.swissclubdc.org, beautifully designed for fast, easy access by our new web master Johannes Hofer.

It's great to be president of a society where everyone, spontaneously and without much ado, contributes so much to the benefit of everyone else!
