### Message from the President

Dear Swiss Club Members:

Thanks to all who made our National Day such a success! The fun continues with the next **Jass on September 5th** and the popular **Fall Festival at the Kummli Farm on September 12th** (earlier this year, to have less traffic, with a car pool, more outdoor activities and the delicious Swiss Bakery meal at lunch time).

I wish to draw your attention especially to the upcoming **General Assembly** on October 15. We had a record participation last year with an interesting invited speaker and incredibly delicious pot luck food, and I promise you good entertainment and super food this year as well. However, there is also some serious business that needs to be accomplished.

First, we **need nominations for about four board members**, either for specific positions or members at large who would assume specific tasks after some time for gathering experience. If you are interested yourself or know somebody who is, please send me an email or call me so we can prepare good nominations.

Second, we have a set of **updates to our by-laws** that have been presented at last year's General Assembly and is currently being worked over by the entire board for more suggestions and corrections. Most of the suggested changes are technical and no controversial issues have come up so far. Yet, we desire interest and input from the whole community, so we'll post the next draft on the web site for your comments as soon as the board has finished their work on it. Claudia Tobler, our former secretary, has volunteered to check the final draft for legal correctness, and we hope to present a version to you that is well thought through and on which we can easily agree at the next General Assembly.

With these invitations for exciting events, light home work assignments and best wishes,  
yours sincerely.

Christian Haudenschild, Swiss Club of Washington DC
